

MAN WALKS ON BRIDGE FOR THE FIRST TIME

Today I'm on walked across the bridge for the very first time in his life. Jamie Hersch who is 61 and never cross the bridge in his life due to the fear of them said that this is a momentous occasion. a quote from him being" *I thought I would never cross a bridge in my life after seeing what happened to those poor people on that bridge that collapsed when I was a child. but three years of therapy everything seems possible.*" if only we all could Mustered up the courage that Jamie Hersch Did on this very day then we would be able to achieve anything.
